

Privacy Policy

Thank you for choosing **Vizzi Analytics** and trusting us with your privacy. This Privacy Policy explains how we handle your information when you use our software.

Information Collection

Visual Audit Analytics does **not** collect any personal information through the app itself. We do not monitor activity, track usage, or gather metrics of any kind.

The only information we maintain is that which is required for:

- **License management** (e.g., license key, associated email, and expiration date)
- **Customer support and follow-up** (to provide updates, respond to inquiries, or assist with issues)

We do not collect any other personal or non-personal data from your use of the app.

Data Security

We take the security of your information seriously. License and contact information is stored securely and used only for the purposes described above. We apply industry-standard safeguards to prevent unauthorized access, alteration, or disclosure.

Please note that while we strive to protect your information, no method of storage or transmission is completely secure.

Third-Party Services

Visual Audit Analytics does not integrate with third-party advertising or analytics services. Your data is not shared, sold, or used for profiling.

Changes to This Privacy Policy

We may update or modify this Privacy Policy from time to time. Any changes will be reflected in the updated version posted with the software or on our website. Continued use of Visual Audit Analytics after any changes indicates your acceptance of the updated policy.

Contact Us

If you have questions or concerns about this Privacy Policy or how your information is handled, please contact us at:

support@VizziAnalytics.com

We value your privacy and are committed to being transparent about how we use and protect your information.
